TO WHOMSOEVER IT MAY CONCERN

This is to certify that Ms. Aastha Gupta has successfully completed an internship with Wavegroove Connect Solutions Pvt. Ltd. from 01 February 2026 to 31 March 2026.

During the internship period, she worked on an Automatic Vehicle Helmet and Number Plate Detection project, which involved developing a solution to detect vehicles and identify whether riders were wearing helmets using computer vision techniques. The project also included extracting and recognizing vehicle number plates using Python and OpenCV, along with implementing image processing methods for a detection and verification. Additionally, she contributed to creating a user interface (UI) for smooth and structured system interaction.

Throughout the internship, she demonstrated commitment, enthusiasm, and a willingness to learn. We wish her success in all future professional endeavors.
